Sugauli Flood Relief 2021

Donated By- “Saskia and Team of Donors”

Date: 14-09-2021 to 21-09-2021

Report

Sugauli, East Champaran, Bihar, flood affected area. Every year flood affect this area very badly because Sugauli is closer to Sikrana river. During this period many poor huts made of straw & mud and these families become homeless. And these families take shelter in SSA schools or on the high road sides. This year also flood affected very badly.

Sacred Heart Sisters training School took a survey of those fameless whose houses are destroyed very badly and all their little belongs are totally washed away. We have selected 50 helpless and homeless families to support through the relief programe. Food availability in flood-hit areas and a dry ground above a roof were was a big concern.

So I Sr.Ambrose Kadavelil SSH contacted Saskia Raevouri, who is our individual donor, was informed this miserable situation. She felt so much for these homeless families then she and her team of donors have agreed to support these helpless families.

After getting the donation from her we SHSTS team started to do relief work. First of all, as per organization policy we took 3 quotations from different shops from where we have to purchase dry food kits and shelter kits items. A shop named Grih Seva from Bettiah, agreed to give the dry food in wholesale rate and other shelter kits purchased from Basanti tanga shop with whole sale rate.

Our volunteers started to make packages. We have made 50 dry food packages and 50 shelter kits packages.

These package consents are as given below:
